

DATE	MEETING TOPIC	SPEAKER
September 2001	Recirculating Domestic Hot Water Systems	Bill Kapanen w/ California Hydronics
October 2001	Improving CAD use in Plumbing Design	Jim Dyer w/ Glumac International & Robert Schropp w/ Autodesk
November 2001	Fire sprinkler applications	Gregg Vlahakis w/ Viking Corp.
December 2001	Underground Tank Installations	Chris Pace w/ Environmental Specialist with Sacramento County
January 2002	Design of high purity water systems	Bill George – Sales Engineer w/ US Filter
February 2002	Plumbing shop fabrication tour	Steve white – Shop Production Manager w/ Airco Mechanical
March 2002	Seminar – Hospital plumbing design workshop, 1. Vents and venting, 2. hot water recirculation	Julius Ballanco, PE
April 2002	California Hospital Codes and Vacuum System Design	Tim Mort, Senior Mechanical Engineer OSHPD
May 2002	Energy/ Maintenance benefits using VSD air compressors	Kent Frkovich w/ Cisco Air Systems
June 2002-August 2002	Summer break	
September 2002	Compressed Air Systems	
October 2002	Mystery	
November 2002	Sizing Sump Pumps	
December 2002		
January 2003	Hot water system design	
February 2003	Expansion joints (thermal & seismic)	
March 2003	Seminar	
April 2003	Coordinating natural gas service	
May 2003	Grease removal system design	
June 2003 – August 2003	Summer Break	
September 2003	Natural gas pressure regulators and seismic shut-off valves	
October 2003	Fire suppression systems	
November 2003	Domestic water heaters	

December 2003	Emergency shower & eyewash systems	
January 2004	Backflow preventers	
February 2004	Everything you wanted to know and more about elevator pits	
March 2004	Seminars – 1. sizing hot and cold piping systems, 2. domestic water heating design workshop	1. Jeffrey L. Ingertson, CPD, 2. Joe Scott, II, CPD
April 2004	Fuel oil systems	
May 2004	Fire pumps	
June 2004-August 2004	Summer break	
September 2004	Low-NOX emissions regulations	Ali Mohammad, (SAQMD) Rules and Regulations Official of the Sacramento Air Quality Management
October 2004	Hot water temperature maintenance	Dan Perkins w/ Daybreak Technologies Inc.
November 2004	UPC/ CPC Code Updates	Keith Winkle, chief plumbing and mechanical inspector for the Sacramento planning and building department
December 2004	Jensen Precast Tout	Jeff Friedman
January 2005	Tour Brew-It-Up	
February 2005	Valves (back-to-basics)	Ron Monk w/ Rep West
March 2005	Seminars – 1. Managing risk during construction, 2. Water conservation/sustainable plumbing, 3. plumbing commissioning	Brian Salisbury, Larry Oliver and Judy Mendoza
April 2005	Appliance venting	
May 2005	“Takagi” Tankless water heaters	Joel Streble /w Kliman sales
June 2005 - August 2005	Summer break	
September 2005	Fuel oil systems design	Doug Nakano w/ fuel oil systems, Inc.
October 2005	Fire sprinkler design considerations	Don Wulburs, Senior Project Manager w/ SimplexGrinnell, Sacramento
November 2005	Everything you always wanted to know about cast iron soil pipe	Pennie L. Feehan, regional representative for the cast iron soil pipe institute

		(CISPI)
December 2005	Medical vacuum waste anesthesia gas disposal (WAGD)	Carsten Lunde w/ Carsten's Yearly Analysis
January 2006	City of Sacramento Water Intake Tour	
February 2006	Everything you wanted to know about vacuum waste systems-and YES they suck	Rod Olson w/ Acorn Vac.
March 2006	Seminars – 1. NFPA 99 changes (med gas items), 2. UPS 2006 changes	1. Carsten Lunde, 2. Jay Peters of IAPMO
April 2006	The plan review process and how to avoid pitfalls	Roger Fuller w/ Sacramento County
May 2006	Siphonic roof drainage (this isn't the soothing harmony the rain makes running off the roof)	David Weisz – VP of UV-Systems, Inc.
June 2006 - August 2006	Summer break	
September 2006	LEED and Plumbing Systems	Lisa McEvelly & Joel Strehl w/ Kliman Sales
October 2006	Lab Systems Design	Leo Szilardy w/ Siemens/US Filter
November 2006	Lab Waste Systems	Ken Moody w/ Orion Fittings
December 2006	Pressure Booster Systems for high rise buildings	Bob Polizzi w/ California Hydronics
January 2007	Social Event – Behind the scenes tour of the Skatetown Ice Rink in Roseville	
February 2007	OSHPD (the only five letter word pronounced like a our letter word)	Tim Mort
March 2007	Seminar -	
April 2007	“HiFog” fire suppression system	Rich Cottle w/ Sabah International
May 2007	You've Got Gas! LPS Gas Systems	Bob Scott w/ Western Propane Gas Association
June 2007 - August 2007	Summer break	
September 2007		
October 2007		
November 2007		
December 2007
